

Episode 1.0 Let's Start Something

June 29, 2017

Hannah (Host): [Music: "Mesh Shirt" by Mom Jeans] Hi, I'm Hannah McGregor, co-host of *Witch, Please* and professional angry feminist. I'm starting a new podcast called *Secret Feminist Agenda*, where every week I'll be interviewing a feminist about how they undermine the cis normative, heteronormative, ableist, imperialist, white supremacist, capitalist, patriarchy in their own lives. Mostly I just want to talk to amazing humans about how they enact resistance in both large and small ways. Get ready for laughter and tears and extensive profanity. So tell me, what's your secret feminist agenda? [Music: "Mesh Shirt" by Mom Jeans]
